Thanks Greg. I hope you had a nice Thanksgiving, as well.

Shannon will look for some time for us to chat, hopefully in the coming week.

Subject: Follow up from conversation in Mexico

Rick,

First I hope that you had a good break over Thanksgiving and are looking forward to a relaxing break over the holiday.

Secondly, as discussed I just let a voice mail on the Director's line in order to get back in touch to follow up on our conversation in Mexico regarding the appropriate forum for advancing on the ecological / environmental risk assessment paradigm. Please let me know if there is a better time & phone number for me to reach you, or feel free to call me at 314 343 8120.

Thanks again for the conversation in Mexico . . .

Best Regards,

Greg
